Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of Big Camera Corporation Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Big Camera Corporation Public Company Limited and its subsidiaries as at 31 March 2021, and the related consolidated statements of comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, as well as the condensed notes to the interim consolidated financial statements. I have also reviewed the separate financial information of Big Camera Corporation Public Company Limited for the same period (collectively "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

Emphasis of Matter

I draw attention to the following notes to the interim consolidated financial statements: -

- a. Note 1.2 to the interim consolidated financial statements regarding the Coronavirus disease 2019 pandemic significantly affects the Group's business activities in terms of goods distribution including with the slowdown of customers' purchasing demand, and this is significantly impacting the Group's financial position, operating results, and cash flows at present, and is expected to do so in the future. The Group's management has continuously monitored ongoing developments and assessed the financial impact in respect of the valuation of assets and has used estimates and judgement in respect of various issues as the situation has evolved.
- b. Note 19.3 to the interim consolidated financial statements regarding the Company's receipt of subpoena as a guarantor under the overdraft agreement with financial institution including outcome of the case and the plaintiff's appeal submission.

My conclusion is not modified in respect of these matters.
