

Big Camera Corporation Public Company Limited  
and its subsidiaries  
Review report and interim financial information  
For the three-month period ended 31 March 2023

## **Independent Auditor's Report on Review of Interim Financial Information**

To the Shareholders of Big Camera Corporation Public Company Limited

I have reviewed the accompanying consolidated statement of financial position of Big Camera Corporation Public Company Limited and its subsidiaries as at 31 March 2023, and the related consolidated statements of comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, as well as the condensed notes to the interim consolidated financial statements. I have also reviewed the separate financial information of Big Camera Corporation Public Company Limited for the same period (collectively "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*. My responsibility is to express a conclusion on this interim financial information based on my review.

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

### **Conclusion**

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

**Emphasis of Matter**

I draw attention to the note 13.3 to the interim consolidated financial statements regarding the Company's receipt of subpoena as a guarantor under the bank overdraft agreement including the outcome of the case according to the judgment of the Court. My conclusion is not modified in respect of this matter.
